## Lisbon City Break & Day Trips

4 Days/3 Nights

Nights: Lisbon 3

Departures: Wednesday (All year)

### Day 1 | ORIGIN - LISBON

Upon arrival to Lisbon Airport you will be welcomed by our driver and then transfer to the hotel. Lisbon, a city of contrasts, offering so much to discover and surprise, still maintains the marks of its early history along with a rich cultural mix being one of the most beautiful capitals of Europe. But Lisbon's biggest attraction is the city itself, a city that is not dressed up for the tourist to see, but an authentic place that stands out in such an homogeneous world. Although it boasts a range of must-see sights, its biggest pleasures are its street-life and setting, admired from a pavement cafe, from the top of a hilltop "miradouro", or simply by wandering around the atmospheric "barrios." **Overnight in Lisbon.**

### Day 2 | LISBON (Half day Sightseeing Tour)

**Breakfast.** Today you will enjoy a morning city tour to Lisbon, which was home to the world's greatest explorers, becoming the first true world city, the capital of an empire spreading over all continents. Time to admire its splendid avenues and monuments of this amazing city, like the Tower of Belem and its cultural quarter, the Jeronimos Monastery, the Tower of Vasco da Gama and the Castelo S. Jorge. Gothic cathedrals, majestic monasteries and cosy museums are part of the colourful cityscape, but the real delights of discovery lie in wandering the narrow lanes of Lisbon's lovely backstreets. As yellow trams wind their way through curvy tree-lined streets, you can stroll through the old quarters, as visitors done for centuries. Traditional village-life style in old Alfama district combines with fresh bread and wine at tiny patio restaurants as fadistas (fado, is Portugal's traditional melancholic singing) perform in the background. In the hilltop district of Bairro Alto, dozens of restaurants and bars line the narrow streets, with jazz, reggae, electronic music and fado filling the air. The Best fado Houses in Lisbon can be found in the Alfama, Bairro Alto and Mouraria districts. **Overnight in Lisbon.**

Saint Jorge Castle
